PROFESSIONAL EXPERIENCE

Marketing Analytics & Growth Specialist, NY Building Systems Consultant Inc. 02/2024 – Present

- Managed LinkedIn, Facebook, and email marketing campaigns, executing A/B testing and tracking marketing analytics that improved website CTR by 5%
- Led SEO optimization and on-site website enhancements using WordPress, increasing engagement and supporting organic digital growth
- Developed brand collateral, brochures, capability statements, and trade show marketing assets to strengthen brand visibility and stakeholder engagement
- Utilized GA4, Tableau, HubSpot, Salesforce, Excel, WordPress, and AI-driven marketing tools to support campaign reporting, customer insights, and digital growth initiatives
- Created tailored RFQs, RFPs, proposals, and presentations for public and private sector bids, contributing to 33% growth in contract acquisitions and 37% revenue growth
- Conducted market research, customer surveys, and industry trend analysis alongside EPRI, E-Source, NYSERDA, ConEd, and National Grid to support B2B customer strategy initiatives
- Managed client accounts for NYC DEP, FirstService Residential, NYPD, and JFK, overseeing reporting, invoicing, bookkeeping, and operational coordination across 30+ concurrent projects
- Partnered with engineering teams and clients to monitor project lifecycles, ensure timely delivery, and maintain long-term stakeholder relationships through transparent communication and strategic coordination

Marketing & Communications Associate, Kasirer 09/2023 – 12/2023

- Developed LinkedIn and email marketing campaigns highlighting firm accomplishments and employee initiatives while generating Excel-based marketing analytics reports to track campaign performance against KPIs.
- Drafted official writeups and communications for press conferences and New York City Council hearings, supporting environmental policy advocacy initiatives and strengthening stakeholder communication through timely content delivery

Digital Marketing Associate, Newmark 06/2023 – 08/2023

- Developed and executed a data-driven social media content strategy for Newmark's retail Instagram page, leveraging competitor analysis, marketing analytics, and on-site web optimization to increase engagement and improve digital visibility
- Supported primary and secondary marketing strategy initiatives for the commercial real estate group by conducting market research, stakeholder communications, and submarket analysis using company databases, CoStar, and CBRE market intelligence platforms

MARKETING ANALYTICS & STRATEGY PROJECTS

- Internconnect:** Created user personas and journey maps in Figma to prototype a user-centered mobile app. Built the GTM strategy, business model, and marketing plan for audience growth and engagement
- Boxed.com:** Conducted market research and audience analysis using Excel and Google Analytics to identify customer trends and improve campaign strategy. Built ROI-focused budget models and delivered data-driven marketing recommendations
